**Harmon Releases Agreed-Upon Procedures Engagement of Campbell County Clerk's Fee Account**

**FRANKFORT, Ky.** – State Auditor Mike Harmon today released the 2019 agreed-upon procedures engagement of Campbell County Clerk Jim Luersen. State law requires the auditor to conduct annual audits of county clerks and sheriffs.

In 2018 the Kentucky General Assembly, following a recommendation by the State Auditor, passed legislation that allows county sheriffs and clerks that met certain criteria to apply for an Agreed-Upon Procedures (AUP) engagement in lieu of an audit of their fee account. The intent of the change, which became effective in July 2018, was to reduce audit costs for sheriffs and clerks that have a history of clean audits, while still maintaining an appropriate level of accountability.

The Campbell County Clerk applied for and received approval from the Auditor of Public Accounts (APA) to obtain an AUP engagement for calendar year 2019 in accordance with KRS 43.070(1)(c). AUP reports present the procedures performed and the results of those procedures, called findings. Auditors performed the procedures, which were agreed to by the Campbell County Clerk, on receipts and disbursements, excess fees, recordkeeping, and leases, contracts, and liabilities for the period January 1, 2019 through December 31, 2019.

The following exception was identified during the AUP engagement:

- **The county clerk has not reconciled the 75% account to the EMARS 2550 Report. The unreconciled balance as of December 31, 2019, is (\$83,596).**

*County Clerk's Response: The account is reconciled every month.*

Auditor's Reply: The balance per the county clerk's records, as of December 31, 2019, was \$63,333 while the EMARS 2550 report showed a balance of (\$83,596).

The county clerk's responsibilities include collecting certain taxes, issuing licenses, maintaining county records and providing other services. The clerk's office is funded through statutory fees collected in conjunction with these duties.

The agreed-upon procedures report can be found on the [auditor's website](#).
