The summary below presents those findings for which an exception (an instance of noncompliance with the criteria) was identified during the AUP engagement.

During the AUP engagement of the Fulton County Property Valuation Administrator, the following exceptions were noted:

- The PVA did not maintain receipts or disbursements ledgers on the savings account. The PVA does not conduct monthly bank reconciliations on the savings account.
- The payments from the cities have been confirmed and compare favorably to the PVA receipts records except for one payment that was deposited into the savings account with no ledgers.
- The PVA exceeded the final budget in the 200 (\$21), 300 (\$4,343), and 800 (\$130) account series.

Independent Accountant's Report
On Applying Agreed-Upon Procedures

Holly M. Johnson, Secretary, Finance and Administration Cabinet
The Honorable Pete Morgan, Fulton County Property Valuation Administrator
Hickman, Kentucky 42050

We have performed the procedures enumerated below related to the Fulton County Property Valuation Administrator (PVA) compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts during the period July 1, 2024 through June 30, 2025.

An agreed-upon procedures engagement involves the APA performing specific procedures that the PVA has agreed to and acknowledged to be appropriate for the intended purpose of the engagement and reporting on findings based on the procedures performed. The Fulton County PVA is responsible for compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

The Fulton County PVA has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of determining the PVA's compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and findings are as follows:

1. Compliance Procedure -

Determine if the PVA has a receipts ledger, a disbursements ledger, and reconciles bank records to books each month. Re-perform the year-end bank reconciliation (June 30, 2025), for all bank accounts, to determine if amounts are accurate.

Finding -

The PVA had a receipts and disbursements ledger for the local funds account but did not maintain ledgers on the savings account. The PVA conducts monthly bank reconciliations on the local funds account but does not conduct monthly bank reconciliations on the savings account.

PVA's Response: This savings account is used for the sale of tax rolls and PVA information in the office. The money is set back for the OX billings from Frankfort. The PVA has decided to close this savings account effective June 30, 2026 since he is retiring in December of 2026.

2. Procedure -

Confirm all payments by the city to the PVA. Compare recorded city receipts to confirmed payment amounts obtained from city governments. Also compare recorded city receipts to the DOR list of cities to determine if the PVA has accounted for all city receipts.

Finding -

The payments from the cities have been confirmed and compare favorably to the PVA receipts records except one payment that was deposited into the savings account with no ledgers. The list of cities receipts is complete.

PVA's Response: This was in error from the deputy clerk making the deposits but I should have caught it in my monthly balance with the bank.

3. Compliance Procedure -

Confirm all payments made by the fiscal court to the PVA. Compare the budgeted statutory contribution by the fiscal court to the legally required amounts calculated by the Department of Revenue. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the PVA's local bank account.

Finding -

No exceptions were found as a result of applying the procedure.

4. Compliance Procedure -

Select one month (July 2024 – June 2025) and review bank statement to determine if deposits were made weekly at a minimum or if receipts of \$250 or more are deposited daily. Choose one week from month selected and determine if pre-numbered receipts were issued. Determine by inquiry of the PVA and scanning the receipts ledger if the PVA charges, issues receipts and deposits for all services provided.

Finding -

No exceptions were found as a result of applying the procedure.

5. Procedure -

Determine if the PVA has a change fund and document the amount of the PVA's change fund.

Finding -

The PVA has a change fund of \$30.

6. Procedure -

Judgmentally select 15 disbursements from PVA records and agree amounts to paid invoices or other supporting documentation and bank records. Determine if the disbursement is for official business. Inspect all credit card statements (if any) to determine if disbursements are for official business.

Finding -

No exceptions were found as a result of applying the procedure.

(Continued)

7. Compliance Procedure -

Compare capital outlay disbursements with supporting documentation, bank records, and proper purchasing procedures. Observe newly acquired assets. Determine if assets were added to the PVA's Capital Asset Inventory List.

Finding -

Procedure is not applicable since there were no capital outlay disbursements.

8. Procedure -

Scan vehicle lease agreements, personal service contracts, and professional service contracts for cost schedules and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized.

Finding -

Procedure is not applicable. The PVA does not have any such agreements.

9. Compliance Procedure -

Compare the PVA's final budget to actual disbursements to determine if the PVA overspent in any account series.

Finding -

The PVA exceeded the final budget in the 200 (\$21), 300 (\$4,343), and 800 (\$130) account series.

PVA's Response: This was in error and will be corrected for 2025-26.

10. Compliance Procedure -

Determine whether cash balances were properly transferred from the former PVA to the new PVA.

Finding -

Procedure is not applicable. No change in the PVA.

11. Compliance Procedure -

For PVA office employees hired between July 1, 2024 and June 30, 2025, determine if the Ethics Certification Form has been completed and is on file.

Finding -

Procedure not applicable since no one was hired between July 1, 2024 and June 30, 2025.

12. Compliance Procedure -

Determine if the PVA's office was closed any day other than the state's approved holidays. If so, determine if the proper procedures and forms were completed.

Finding -

No exceptions were found as a result of applying the procedure.

13. Compliance Procedure -

During county election years, determine if the property valuation administrator spent more than forty percent (40%) of the allowances available to the PVA's office from county funds during the first five (5) months of the fiscal year in which the general election is held. (KRS 132.590(12)).

Finding -

Procedure is not applicable since FY 24/25 was not a county election year.
