Independent Accountant's Report
On Applying Agreed-Upon Procedures

The Honorable Johnny W. Roberts, Hancock County Judge/Executive
The Honorable Trina Ogle, Hancock County Clerk
Members of the Hancock County Fiscal Court

We have performed the procedures enumerated below, which were agreed to by the Hancock County Clerk, related to the county clerk's compliance with the Department for Local Government's *County Budget Preparation and State Local Finance Officer Policy Manual* regarding the accountability for receipts and disbursements, excess fees, recordkeeping, and leases, contracts, and liabilities for the period January 1, 2024 through December 31, 2024. An agreed-upon procedures engagement involves the APA performing specific procedures that the county clerk has agreed to and acknowledged to be appropriate for the intended purpose of the engagement and reporting on findings based on the procedures performed. The Hancock County Clerk is responsible for compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose. The Hancock County Clerk has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of determining the county clerk's compliance with the Department for Local Government's *County Budget Preparation and State Local Finance Officer Policy Manual* regarding the accountability for receipts and disbursements, excess fees, recordkeeping, and leases, contracts, and liabilities. The purpose of the engagement is to assist users in determining whether the county clerk complied with the specified requirements. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and the associated findings are as follows:

1. Compliance Procedure -

Determine if the county clerk has a fourth quarter financial statement, a receipts ledger, and a disbursements ledger.

Finding -

No exceptions were found as a result of applying the procedure.

2. Procedure -

Determine that the county clerk's fourth quarter financial statement agrees to the county clerk's receipts ledger and disbursements ledger. Variances in total receipts or total disbursements that exceed 1% of gross receipts or exceed \$20,000 will be reported.

Finding -

No exceptions were found as a result of applying the procedure.

The Honorable Johnny W. Roberts, Hancock County Judge/Executive
 The Honorable Trina Ogle, Hancock County Clerk
 Members of the Hancock County Fiscal Court
 (Continued)

3. Compliance Procedure -

Compare the county clerk's operating disbursements (fourth quarter or settlement amounts) to the budget approved by fiscal court to determine if the county clerk overspent the budget. Overages that exceed 1% of gross receipts or exceed \$20,000 will be reported.

Finding -

No exceptions were found as a result of applying the procedure.

4. Compliance Procedure -

Determine if the county clerk provided a settlement of excess fees to fiscal court by March 15, 2025, and determine if excess fees were remitted at that time.

Finding -

No exceptions were found as a result of applying the procedure.

5. Procedure -

Obtain a list of accounts prepared by the county clerk that are applicable to the current calendar year.

Finding -

No exceptions were found as a result of applying the procedure. The county clerk maintains a fee account, ACH account, grant account, and a disaster grant account.

6. Compliance Procedure -

Determine if the county clerk reconciles all bank accounts monthly. Re-perform the bank reconciliations for all accounts as of December 31, 2024 to determine the reconciled ending balances and if bank reconciliations are accurate.

Finding -

The December 31, 2024 bank reconciliation for the fee account was not accurate. Year-end liabilities of \$8,037 were not included. The balances of the county clerk's accounts are:

Account Name:	Reconciled Account Balance:
Fee Account	\$ (2,753)
ACH Account	\$ 0
Grant Account	\$ 55,675
Disaster Grant Account	\$ 40,000

6. Compliance Procedure - (Continued)

County Clerk's Response: The three checks that are not showing up on the reconciliation report had expense dates 12/31/24 which is correct. The payment date was entered as 1/2/2025 which is also the correct date the checks were written. The 2025 date keeps the figures from printing on 2024 expense reports. All transactions for 2024, made in 2025 MUST use 12-31-24 dates even if paid in 2025. Both of the payment and expense ACH dates were entered correctly, so I cannot explain why it did not print on the report other than it may have been a computer glitch. This was an oversight that the payments were not showing on the report but all the monies were distributed in a timely manner according to KRS statutes.

7. Compliance Procedure -

Determine if receipts are properly accounted for by comparing batched receipts to daily check-out sheets, deposit tickets, receipts ledger, and bank statements for a randomly selected week.

Finding -

No exceptions were found as a result of applying the procedure.

8. Compliance Procedure -

Determine if the county clerk prepared 12 monthly reports for delinquent tax. Test payments to districts for one randomly selected month's delinquent tax disbursements to confirm that payments were made timely, and disbursement agreed to the monthly report.

Finding -

No exceptions were found as a result of applying the procedure.

9. Procedure -

Judgmentally select 15 operating disbursements from the county clerk's records and agree amounts paid to invoices or other supporting documentation and cancelled checks. Determine if the disbursement is for official business. Inspect all credit card statements (if any) to determine if disbursements are for official business.

Finding -

No exceptions were found as a result of applying the procedure.

 The Honorable Trina Ogle, Hancock County Clerk
 Members of the Hancock County Fiscal Court
 (Continued)

10. Procedure -

Determine excess fees due to fiscal court by recalculating the difference between total receipts and total disbursements. Verify amounts paid to determine if additional excess fees are due to the fiscal court.

Finding -

Excess fees due to the fiscal court were recalculated and there are no additional excess fees due to the fiscal court.

Total Receipts	\$ 2,178,171
Total Disbursements	<u>2,097,291</u>
Excess Fees Due County for 2024	80,880
Payment to Fiscal Court	<u>80,880</u>
Balance Due Fiscal Court	<u><u>\$ 0</u></u>

11. Compliance Procedure -

Verify the county clerk's maximum salary order for deputies was not overspent.

Finding -

No exceptions were found as a result of applying the procedure.

12. Compliance Procedure -

Determine whether payroll charges are properly supported by verifying that timesheets are completed, maintained, approved, and support hours paid by inspecting one pay period's timesheets for all employees. (Not applicable to fee pooling counties)

Finding -

No exceptions were found as a result of applying the procedure.

13. Compliance Procedure -

Determine that the county clerk was paid the statutory salary as fixed by the Department for Local Government salary schedule.

Finding -

The county clerk was paid \$100,381. The statutorily required salary was \$100,381.

Members of the Hancock County Fiscal Court

14. Procedure -

Scan lease agreements and service contracts and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized. Determine if liabilities requiring disclosure were properly disclosed on the fourth quarter financial statement.

Finding -

The county clerk's agreements and contract payments agreed to actual payments and the services received were appropriate, for official business, and properly authorized. Liabilities were not disclosed properly on the fourth quarter financial statement.

County Clerk's Response: I was not aware that a Liabilities Outstanding Report needed to be completed each quarter and submitted to DLG for my software & hardware contract with [vendor name redacted]. I have never sent this form in or been asked by DLG why they haven't received it. Had I known this form was outstanding or a requirement, I would have sent it in immediately.

15. Compliance Procedure -

Verify the county clerk is properly bonded for the period covered by the agreed-upon procedures.

Finding -

No exceptions were found as a result of applying the procedure.

We were engaged by the Hancock County Clerk to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on compliance with specified requirements. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Hancock County Clerk and to meet our ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

The purpose of this report is to present the procedures performed and the results of those procedures and is not suitable for any other purpose. This report is intended solely for the information and use of the Hancock County Clerk and the Hancock County Fiscal Court, and is not intended to be and should not be used by anyone other than the specified parties.
