SUMMARY OF PROCEDURES AND FINDINGS

**AGREED-UPON PROCEDURES OF THE
MARSHALL COUNTY PROPERTY VALUATION ADMINISTRATOR**

For The Period July 1, 2023 Through June 30, 2024

The Marshall County Property Valuation Administrator received an Agreed-Upon Procedures (AUP) engagement for the period July 1, 2023 through June 30, 2024. AUP reports present the procedures performed and the results of those procedures, called findings. The summary below presents those findings for which an exception (an instance of noncompliance with the criteria) was identified during the AUP engagement.

During the AUP engagement of the Marshall County Property Valuation Administrator, the following exceptions were noted:

- The PVA had a receipts and disbursements ledger. Bank records were not reconciled to the books each month, and the June 30, 2024 bank reconciliation was not accurate.
- Deposits were made weekly at a minimum or receipts of \$250 or more were deposited daily. The PVA charges for all services provided but only issues receipts at customers' requests.
- The selected disbursements agreed to paid invoices or other supporting documentation and bank records. Disbursements were determined to be for official business with the exception that the PVA paid \$1 in finance charges and \$3 in sales tax. The PVA does not utilize a credit card.

Findings related to procedures for which there were no exceptions identified, and official responses to exceptions are not included in the summary above but can be found in the full report. A copy of this report is available on the Auditor of Public Accounts' website at auditor.ky.gov.

Independent Accountant's Report
On Applying Agreed-Upon Procedures

Holly M. Johnson, Secretary, Finance and Administration Cabinet
The Honorable Tony Henson, Marshall County Property Valuation Administrator
Benton, Kentucky 42025

We have performed the procedures enumerated below related to the Marshall County Property Valuation Administrator (PVA) compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts during the period July 1, 2023 through June 30, 2024.

An agreed-upon procedures engagement involves the APA performing specific procedures that the PVA has agreed to and acknowledged to be appropriate for the intended purpose of the engagement and reporting on findings based on the procedures performed. The Marshall County PVA is responsible for compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

The Marshall County PVA has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of determining the PVA's compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and findings are as follows:

1. Compliance Procedure -

Determine if the PVA has a receipts ledger, a disbursements ledger, and reconciles bank records to books each month. Re-perform the year-end bank reconciliation (June 30, 2024) for all bank accounts to determine if amounts are accurate.

Finding -

The PVA had a receipts ledger and disbursements ledger. Bank records were not reconciled to the books each month, and the June 30, 2024 bank reconciliation was not accurate.

PVA's Response: Errors in the June 2024 reconciliation will be corrected. Efforts will be made to ensure timely reconciliations going forward.

2. Compliance Procedure -

Confirm all payments by the city to the PVA. Compare recorded city receipts to confirmed payment amounts obtained from city governments. Also compare recorded city receipts to the Department of Revenue's list of cities to determine if the PVA has accounted for all city receipts.

Finding -

No exceptions were found as a result of applying the procedure.

3. Compliance Procedure -

Confirm all payments made by the fiscal court to the PVA. Compare the budgeted statutory contribution by the fiscal court to the legally required amounts calculated by the Department of Revenue. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the PVA's local bank account.

Finding -

No exceptions were found as a result of applying the procedure.

4. Compliance Procedure -

Select one month (July 2023 – June 2024) and review bank statement to determine if deposits were made weekly at a minimum or if receipts of \$250 or more were deposited daily. Choose one week from month selected and determine if pre-numbered receipts were issued. Determine by inquiry of the PVA and scanning the receipts ledger if the PVA charges, issues receipts and deposits for all services provided.

Finding -

Deposits were made weekly at a minimum or receipts of \$250 or more were deposited daily. PVA charges for all services provided but only issues receipts at customers' requests.

5. Procedure -

Determine if the PVA has a change fund and document the amount of the PVA's change fund.

Finding -

The PVA has a change fund of \$250.

6. Procedure -

Judgmentally select 15 disbursements from PVA records and agree amounts to paid invoices or other supporting documentation and bank records. Determine if the disbursement is for official business. Inspect all credit card statements (if any) to determine if disbursements are for official business.

Finding -

The selected disbursements agreed to paid invoices or other supporting documentation and bank records. Disbursements were determined to be for official business with the exceptions that the PVA paid \$1 in finance charges and \$3 in sales tax. The PVA does not utilize a credit card.

Finding -

No exceptions were found as a result of applying the procedure.

8. Procedure -

Scan vehicle lease agreements, personal service contracts, and professional service contracts for cost schedules and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized.

Finding -

No exceptions were found as a result of applying the procedure.

9. Compliance Procedure -

Compare the PVA's final budget to actual disbursements to determine if the PVA overspent in any account series.

Finding -

No exceptions were found as a result of applying the procedure.

10. Compliance Procedure -

Determine whether cash balances were properly transferred from the former PVA to the new PVA.

Finding –

Not applicable as no change in the PVA.

11. Compliance Procedure -

For PVA office employees hired between July 1, 2023 and June 30, 2024, determine if the Ethics Certification Form has been completed and is on file.

Finding -

13. Compliance Procedure -

During county election years, determine if the property valuation administrator spent more than forty percent (40%) of the allowances available to the PVA's office from county funds during the first five (5) months of the fiscal year in which the general election is held. (KRS 132.590(12)).
