Agreed-Upon Procedures Engagement Webster County Sheriff's Office

FRANKFORT, Ky. – State Auditor Allison Ball today released the 2024 agreed-upon procedures engagement of Webster County Sheriff Valerie Newell. State law requires the auditor to annually audit the accounts of each county sheriff. In compliance with this law, the auditor issues two sheriff's reports each year: one reporting on the audit of the sheriff's tax account, and the other reporting on the audit of the fee account used to operate the office.

In 2018 the Kentucky General Assembly, following a recommendation by the State Auditor, passed legislation that allows county sheriffs and clerks that met certain criteria to apply for an Agreed-Upon Procedures (AUP) engagement in lieu of an audit of their fee account. The intent of the change, which became effective in July 2018, was to reduce audit costs for sheriffs and clerks that have a history of clean audits, while still maintaining an appropriate level of accountability.

The Webster County Sheriff applied for and received approval from the Auditor of Public Accounts (APA) to obtain an AUP engagement for calendar year 2024 in accordance with KRS 43.070(1)(c). AUP reports present the procedures performed and the results of those procedures, called findings. Auditors performed the procedures, which were agreed to by the Webster County Sheriff, on receipts and disbursements, excess fees, recordkeeping, and leases, contracts, and liabilities for the period January 1, 2024 through December 31, 2024.

Finding: Did not perform the monthly bank reconciliation for the records preservation grant account.

The county clerk did not perform monthly bank reconciliations for the Records Preservation Grant Account. The balances of the county clerk's accounts are:

Account Name:	Reconciled Account Balance:	
Fee Account	\$	0
Libraries and Archives Account	\$	0
Escrow Account	\$	1,125
Records Preservation Grant Account	\$	22,273

County Officials Response

County Clerk's Response: I will begin a formal bank reconciliation for 2025. There is usually 1 check per month written on this account and I do check the bank statement and compare to my bank balance written on the outside of folder, but it's very informal.

The sheriff's responsibilities include collecting property taxes, providing law enforcement, and performing services for the county fiscal court and courts of justice. The sheriff's office is funded through statutory commissions and fees collected in conjunction with these duties.

The audit report can be found on the [auditor's website](#).
