PAID INTERNSHIP

Beginning in the summer of 2023, the Kentucky Auditor of Public Accounts (APA) will offer seasonal, paid internships with our audit teams. Internship start dates and durations are flexible and travel to audit sites will be necessary. Positions are available in the Offices of State Government Audits and Technology, Local Government Audits, and Special Examinations.

JOB DUTIES

Interns will work with APA audit staff to perform audit tests, analyze data, and provide support for more complex audit procedures. Interns may be involved in various assignments during the course of the internship.

QUALIFICATIONS

- Currently enrolled in an accredited Kentucky college or university
- Completed sophomore year
- On track to graduate with 20 semester hours or 30 quarter hours of accounting
